

CIRCULATOR GRATE 40101

INSTALLATION INSTRUCTIONS

Replaces MPNs: 40101

Before Installing

- **ALWAYS** unplug the unit before beginning any work
 - Allow the unit to cool completely if recently used
 - Work in a well-lit area with proper tools
-

Installation Steps

1. Disconnect Power

- Ensure the unit is completely cooled down and drained of power.
- Unplug the stove from the powersource.

2. Access the Unit

- Open the cabinet door to the unit to access both the feed and ash doors
- Open the feed door to the unit. The grate will be sitting on the inside of the stove firebox.
- Open the ash door in your unit to access the coal grate.

3. Remove Old Grate

- Prior to disassembly, take clear photos of the orientation of the grate for reference. The new grate will need to be oriented in the same position as this old grates once installed.
- Through the feed door, lift the grate up from the grate supports.
- While the old grate is lifted with one hand, reach underneath through the ash door with the other hand and slide the grate out through the ash door.

4. Install New Grate

- Insert and slide the new grate through the ash door with one hand. Ensure the grate is oriented in the same position as the old grate.
- While holding the grate, use the other hand to position the grate onto the grate supports from the feed door.

5. Connect Power

- Close the ash door and feed the door of the stove. Ensure the door is sealed when closed.
- Close the cabinet door of the stove. Ensure the door is sealed when closed.
- Plug the stove's power cord into the power source.
- Your new grate is installed and ready to use.

Post-Installation Check

- Verify all connections are secure
- Test the seal of the door to ensure proper fitment. The door should be sealed tightly when both the handle is secured and the gasket is at proper thickness.
- Check the grates to ensure it is seated flush to the grate supports.

Support

If you encounter any issues during installation, consult your owner's manual or contact technical support via our contact form.
